

Nurse Practitioner- Mobile Unit

[Mansfield, OH](#) • Medical

Job Type

Full-time

Description

We are seeking a community oriented and experienced family nurse practitioner to join our team and expand our services via our mobile unit. You and your care team will travel throughout north central Ohio to provide care in various communities including family medicine and addiction treatment services.

In this full-time role you will provide expert medical care to patients of all ages with a range of potential illnesses, injuries, or disabilities. Essential duties include conducting physical examinations on patients, referring patients to medical specialists or counseling services, wellness visits, providing medication assistant treatment services, and prescribing patients' medications based on their condition. Your home base when not providing services via the mobile unit, will be the clinic at 600 West Third Street in Mansfield, Ohio.

General job duties:

- Provide comprehensive primary care services to patients of all ages, including diagnosing and treating acute and chronic illnesses, managing chronic conditions, and promoting preventive health.
- Conduct thorough medical assessments, including taking detailed medical histories, performing physician examinations, ordering, and interpreting laboratory tests and diagnostic imaging, and making accurate diagnoses.
- Develop and implement evidence-based treatment plans for patients, including prescribing medications, providing counseling on lifestyle modifications, and coordinating referrals to specialists when needed.
- Collaborate with interdisciplinary teams, including nurses, physicians, behavioral health providers, and other healthcare professionals to ensure comprehensive and coordinated care for patients.
- Educate patients on health promotion and disease prevention strategies, including lifestyle modifications, vaccinations, screenings, and early detection of health issues.
- Maintain accurate and up-to-date electronic records (EMR) and other documentation according to community health center and regulatory guidelines, ensuring compliance with quality measures and reporting requirements.
- Facilitate care coordination, patient communication, inquiries, and engagement.
- Close patient encounters and manage inbox timely.
- Provide culturally sensitive care to diverse patient populations, respecting their cultural, religious, and social beliefs, and addressing health disparities.
- Serve as an advocate for patients, promoting their rights and assisting them in navigating the healthcare system, including obtaining insurance coverage and accessing community resources.
